

Newsletter June 2019

Hello from the Management Committee!

If you havent been to the club recently please come down and see the improvements! We are sure you will all agree the new bifold doors have made a huge impact!

Other works include refurbishment of the roof, and a massive thank you to all those members that gave up their time and came along to assist in the painting day! The club would not be the success it is without the support of you all. This is your club so any help you can offer is more than welcome!

Polite reminders

Dogs

Dogs are more than welcome but please ensure that when inside the club they remain on a short lead... we don't want anyone tripping up after a few beers/proseccos! And whilst these little furbabies may use your furniture at home please can you not let them do so at the club.. Seating is for humans only! For safety reasons dogs are not allowed at function nights!

Children

We do of course also welcome children, the BFA is after all a family club, however please can you remind the little people to pop their drink cans and any other rubbish in the bins provided, just like the adults do! Whilst our gardener, Fred, enjoys a game of football with the cans, the lawnmower doesn't!!

Smoking

For those of you who havent converted to vapping, outside tables now have ash trays on them so please ensure you dispose of your cigarette ends appropriately.

Non-Members

Guests are more than welcome at the club, however please remember to sign them in and pay the £2 non member fee, or encourage to join! It is only £20 per year after all! :)
